

## Here are the New Spring Suits, Jackets, Shirts and Waists....

Visit Them.

We are ready—in our Garment Department—for the most critical of our customers. Never have the Spring garments been more captivating, and—best of all—never more pleasantly priced.

All ready—we repeat and we're as proud of the display of new things as you will be of any or every garment you will buy of us.

AND YOU WILL BUY for, no matter what you want, you will find it here—find it in your size—as they are exceedingly graceful and becoming. Of course, we have a wide and diversified assemblage.

The wedding skirts are stylishly tempting—loose and flowing and more beautiful than we ever saw. The waists are simply beautiful.

Eton and Pony suits are the vogue this year—demanded by fashion authorities. It's a kind decree—as they are a relief after the season of long-coated suits.

We are never too hurried to show you all you wish to see—to answer all your questions—the fact that you come and look, and examine, and price does not make it necessary for you to purchase in a hurry. Yes, in every respect it is the finest collection of tailored garments we have ever shown—and the earlier you come the better pleased you will be.

## As a Springtime Helper.

THE FAIR is the one store in Paris that can be trusted to supply just what you want in everything that pertains to your home's Spring renovation. There are hosts of little needs incidental to the fixing up of the house which is one of the tasks of Springtime; and it's a safe shot, nine times out of ten, to depend on getting them at THE FAIR.

For instance, suppose you want window Shades, we have an excellent stock of them. Perhaps you must do some papering, our Wall Paper stock is full of extraordinary values. If Matting should be needed here is splendid variety, at 15c a yard up. Quite possibly you might wish new Oil Cloth—we have many kinds at from 10 cents to 69 cents each. Or if you should happen to want a Picture Frame, you'll find all kinds here, or any special size made to order if you choose.

No need to go through the list. We might cite hosts of other things you can depend on finding here and on buying at a lower price than you would elsewhere. But the best way is to get into the habit of always coming straight to THE FAIR for anything and everything you need in Household Requisites. 'Tis very, very seldom that you'll find we haven't the article you want.
